2016-2017 Recap

Sporting Events:

Hosted watch parties for all televised football games at Darby's Sports Bar & Grill in downtown Minneapolis. Our highest attended game was Clemson which we hosted at The Pourhouse.

Attended the FSU Women's Basketball game against the University of Minnesota

Hosted a game watch party for the FSU Men's Basketball March Madness game at CityWorks.

Service Events:

Participated in our first annual Seminole Service Day packing meals for the Second Harvest Heartland organization. Look forward to more information on the upcoming Seminole Service Day in Spring 2018.

Academic Events:

Another first for the club was hosting the Seminole Sendoff for the new freshmen and their parents with a BBQ at Bryant Lake Park in June. The purpose of the event was for the local upcoming Seminole freshmen and their parents to network as well as meet the alumni. The incoming students were able to ask us questions and learn about our experiences at FSU while getting to know other Minnesota Seminoles. Twelve recent high school graduates from Minnesota will be attending FSU this next academic year.

Chapter to Club Transition

After organizing these events, we would like to announce that as of June 3rd, the Alumni Association approved our transition from a Chapter to a Club. Thus, we are now the Twin Cities Seminole Club. We have worked really hard for this by meeting the multiple requirements and are very excited!!

As a club, we now have an Executive board:

President: Emiliano Pantner

Born in Caracas, Venezuela and later moved to Marco Island, FL with his family. He began his life as a Seminole in 2007 graduating with Bachelor's (2011) and Master's (2012) degrees in Mechanical Engineering. After graduation, he traded the 10,000 islands of SW FL for the 10,000 lakes of Minnesota, living in Minneapolis for the past 5 years. Emiliano currently works for Cummins Inc as a Senior Sales Application Engineer for the Power Generation Market.

Vice-President: Jody Foege

Laos, San Francisco Bay Area, New Zealand, and Borneo. That is the answer to the most popular question Jody receives about her favorite places in the world. Jody grew up in the DC area and pursued a career in education after graduating from FSU in 1998 with a degree in Communication for Business. She worked for multiple school districts to provide low-income youth resources to prepare for and graduate from college. Her career also took her to Asia for five years...and wanderlust took her farther. After 14 years in education, she changed course in 2015 and now shows up in Medtronic's Global IT department every day following a lifelong passion for wellness and healthcare.

Secretary: Brittany Stoneback

Brittany grew up in Plymouth, Minnesota until the end of middle school when her parents relocated the family to Orlando, FL. She attended Florida State starting in the Summer C session prior to her freshmen year in 2005. She graduated with a Bachelor's degree in Business Marketing in 2009. Brittany moved back to Minnesota after graduating and has lived here for the last 8 years. She currently works as a Project Manager for First American Title Company.

Treasurer: Brandon Packard

Born and raised in Miami, FL, Brandon attended Florida State from 2001 to 2005. He received his Bachelor of Science degree in Information Studies with a minor in Criminology. Brandon found his way to Minneapolis in 2008 when he pursued a Technology Integration Consulting career, accepting a position at an international firm with local Twin Cities clients.

Marketing & Strategy: Nicholle Egan

Nicholle graduated from Florida State in 2015 with a Bachelor's degree in media/communication studies and psychology. Not knowing a single person in Minnesota, she moved to Minneapolis from Tampa, FL in the spring of 2016 for a position in marketing with the Minnesota Vikings' front office.
