January 10, 2018

Dear Tiger Supporter,

The **Dallas-Fort Worth Chapter of the Mizzou Alumni Association**, along with New Orleans Saint quarterback and Mizzou alumnus **Chase Daniel**, are proud to present our fourth annual golf tournament that will raise funds for both the Chapter's Scholarship Endowment and the Chase Daniel Lone Star State Scholarship Fund.

The tournament will be a four-person scramble at Sky Creek Ranch Golf Club in Keller, Texas on **Friday, April 6<sup>th</sup>, 2018**. With a noon lunch and 1:00 pm shotgun start, over 100 golfers are expected from across the Metroplex to support these two great causes. A buffet dinner, awards ceremony, and fundraising auctions will follow the tournament. Both the Chapter Endowment and Lone Star State Scholarship Fund provide college scholarships for local DFW high school students who will enroll at the University of Missouri in Columbia, MO.

There are multiple ways for you to register to play in the tournament, whether as a single player to be paired with other fun golfers or in pairs or even an entire foursome:

- (1) **Online** – The fastest and easiest way is to visit our online registration page, where you can sign up and pay: [www.mizzou.com/DFWGolf](http://www.mizzou.com/DFWGolf)
