

October 2017

Greetings!

On behalf of the M2AB Board, Friends of the Board, and those of you who made this weekend possible: Welcome Home!

It has been my pleasure and honor to serve as your treasurer for the last three years. During that time there have been numerous changes to the board, but our focus has always remained the same and that is for us to be able to serve M2, to see what it's like to be wiser and to keep coming back and keeping our traditions alive.

This year on the treasurer's front, we were asked and kindly agreed to help endow a scholarship for Gary Taylor. I'm pleased to announce that we did donate \$500, Gary's scholarship got endowed, and we'll be able to meet some of his family this weekend.

I also performed a full audit from 1995 and as painstaking as that was, found that there were no errors in the system. However, we are very expenditure heavy and have developed a fundraising committee to help look into keeping costs within the organization. One way for us to do that is for us to continue growth within the alumni association and using the code UMZ so that \$4 for every member comes back to us. The more funds in our allocation, the less money we have to spend out of the bank.

I am also very pleased to announce that this year we'll be able to give \$2940 in general scholarships. Last year, Gary and Lew Keathley paid \$10 for every new member within 2 years of graduation.

Soon you'll also hear more about the new school of music building and ways that you can leave mark. Keep your eyes and ears open for that.

In closing, this year's scholarships are in memoriam or honorarium of: Gary Taylor; Faye Stonebarger; Bobby Geerlings; Allison Miller; Bob Spiegelman; and E. Darryl Norwood.

Welcome Home Tigers and listen to the Rhythm of our Roar!
