

The Marching Mizzou Alumni Band would like to extend an invitation to all former members to attend the Spring Football game tail gate. It will be held this year on Saturday, April 15<sup>th</sup> at 10:00 am. Four years ago myself, Allison Miller and Lew Keathly were looking to do another event for Alumni who might not be able to attend Reunion Weekend in the fall. Our first year we started out with just grilling hot dogs near Mizzou Arena. The following year, working in tandem with former Director Dr. Brad Snow, we decided to incorporate our tail gate with Marching Mizzou.

Marching Mizzou holds their drum major try outs before and during the spring football game. Again this year we will hold the tailgate at the new Marching Mizzou practice field. M2AB will provide for the band and guests a lunch of sandwiches, chips, cookies and bottled water. Lunch will be served between 11:00-11:15 am.

Please note this is a free event. Parking, yes parking is free!!! Guests can park right at the practice field. The spring game is optional. We encourage everyone to bring a lawn chair and join us. Bring your kids as well. Looking forward to seeing everyone on the 15<sup>th</sup>!!
