

# THANK YOU

*your gift is so important to our OU family!*

Fall 2019

The Kansas City OU Club,  
Thank you so much for this opportunity! So far OU has been amazing. I am loving all my classes and everyone has been so welcoming. I joined Delta Gamma and I can't wait to get involved in their philanthropy events. I also am going to join the pre-med club. I am so happy and grateful that you are financially helping me with my dream of attending OU.
