

THANK YOU

your gift is so important to our OU family!

Fall 2019

Dear Kansas City Alumni,

Thank you all so very much for this generous scholarship! Being out of state, I was very apprehensive about attending OU due to financial costs. However, your group made my dreams of education into a reality. This scholarship gives me more than just monetary assistance; it reaffirms my confidence that I can pursue my dreams and be successful. Words cannot truly describe how much this scholarship really means to me, so all I can say is thank you! My current and future academic adventures are all thanks to your generosity.

Sincerely,
Aaron Richterhessing
