The club with the highest score will receive the Alumni Spirit Award!

ALUMNI TAILGATING OLYMPICS

Alumni Clubs are invited to compete in the 3rd Annual Alumni Tailgating Olympics consisting of three events: Corn Hole, Water Pong, and Football Toss. **Each group must nominate separate competitors to compete in each event.** Competition will take place in the North East corner of the field. Clubs will be broken into three time slots with 20 minutes dedicated to each. The first session will begin promptly at 6:45PM, the second at 7:05PM, and the final session at 7:25PM. Each group will be given their designated time slot at check-in and it will be their responsibility to attend their appropriate session.

OFFICIAL OLYMPICS CRITERIA

Event # 1: Corn Hole

- Each Alumni Club must nominate one competitor to toss 5 bags at a Corn Hole board.
- Competitors will receive 2 points for each bag that goes completely through the hole, and 1 point for each bag that lands on the surface of the board.
- Point determinations will be made after the fifth toss. [In other words, if the first tossed bag lands on the rim of the surface, but is then knocked through the hole by the second tossed bag, the competitor will receive 2 points for the first toss.]
- A playoff round will be held only if there is a tie for first place.

Event # 2: Water Pong

- Each Alumni Club must nominate one competitor to toss 5 ping pong balls at 10 plastic cups arranged in a triangular formation on an 8 foot table.
- Competitors will receive 1 point for each ping pong ball that lands in a cup, in which the competitors will then remove that cup. No re-racks.
- A playoff round will be held only if there is a tie for first place.

Event # 3: Football Toss

- Each Alumni Club must nominate one competitor to compete for the longest football toss.
- Competitors will receive two throws, with only the longest throw counting in the competition.

Determination of Overall Tailgating Olympics Champion

- The first, second, and third place finishers in each Tailgating Olympics event will receive the following Olympic Championship Points:
 - 1st Place: 3 points
 - 2nd Place: 2 points
 - 3rd Place: 1 point
- The Alumni Club with the most Olympic Championship Points will be crowned Alumni Tailgating Olympics Champion.
- A championship playoff will be held only if there is a tie for first place. The playoff will be held in the Olympic Event in which the tied Alumni groups both/all scored the fewest points, or, if there is no such event, Corn Hole.
