## **SPECIAL OFFER FOR THE HAMPTON ROADS CAROLINA CLUB**

- Traditionally for the first speaker of the year, The Norfolk Forum would require attendees to buy a season ticket at a cost of \$160 (or \$40/speaker for the four-speaker slate)
- This year the Forum is excited to offer the Carolina Club the opportunity to purchase single speaker tickets for Coach Williams only for \$75 apiece. While a season ticket is a better deal per speaker (and there are lots of great ones this coming year - [www.thenorfolkforum.org](http://www.thenorfolkforum.org)), we anticipate significant demand for Ole Roy.
- Club members can also get early access to this single speaker ticket before they go on sale to the general public in mid-August. Note that seating is general admission.
- We're also excited to offer two exclusive limited availability ticket upgrade packages to club members:
  - #1 – Purchase two tickets, get your name in the program as a “Friend of Roy”, and be entered into a raffle for two tickets to the post event reception where you will get to meet Roy in person (cost = \$250).
  - #2 – Purchase two tickets, get your name in the program as a “Friend of Roy”, and get two *guaranteed* tickets to the post event reception where you will get to meet Roy in person (cost = \$500). Note only 20 of these packages are available in total, so order this one fast!
- Please contact Maura Murchake at [maura@thenorfolkforum.org](mailto:maura@thenorfolkforum.org) with any questions or to order tickets.
